The payment for a summer tuition is due one week prior to chosen session. A 10% Sibling Discount is applied to families with more than one student.

All prepaid tuition is nonrefundable.

Parents who want to enroll their child(ren) in a half-day option are asked to submit their application and indicate their desire for half-day, not full-day. The plan is to fill the class with full-day children first. A waiting list will be created for people who only want a half-day option. Half-day slots will be filled after full-day slots are filled.
