

COVID 19 WAIVER

The health and well-being of our children, staff and families remain our top priority. In order to minimize the risk of COVID-19 entering our environment and spreading amongst our community, we will only allow children in the facility.

Furthermore, all participants and families agree to and abide by the following:

- If the student or anyone in the household is sick, please do not come to camp/school
- Staff are required to wear face masks while indoors and will wear masks outdoors as feasible. Children are encouraged to wear a mask
- Temperatures will be checked upon arrival for all children by their parents and for staffers to read before entry
- All children and staff will wash their hands immediately upon entering the program and throughout the day
- All children and staff will be prescreened each day and certified as a low risk for entry every day
- All left over lunch items (including containers) will be disposed of at the end of lunch period
- Student will remain in cohort groups throughout the day that will not exceed 15 participants
- Hand sanitizer will be available, where feasible, however, we will make every effort for hand washing to be under running water with soap and water

ASSUMTION OF THE RISK AND WAIVER OF LIABILITY RELATING TO CORONAVIRUS/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact, including individuals without disease symptoms. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited or limited the congregation of groups of people. Weekday Nursery has put several preventative measures and enhanced cleaning protocols to reduce the likelihood of spreading COVID-19 in the campus environment, however, the Cheverly UMC Weekday Nursery cannot guarantee that you or your children will be infected with COVID-19. Further, attending activities at Cheverly Weekday Nursery could increase your child(ren)'s risk of exposure to or contracting COVID-19.
